*Social Activities & Health & Well-Being Programme*

Hello Isaac

I have sent you some seeds to have a go at growing,  
in your pack are:

To plant a seed is  
to believe in  
tomorrow

☼ Sunflowers - it will be good to see who can grow the biggest one

☼ Kale & Tomatoes - to grow and use in a recipe once they are ready

If you design a pot or make one out of whatever you can find in the house (yoghurt carton, egg box, old bowl etc.) and also research how to plant & look after your seeds then you can use these towards our new Pawprint Challenges.

Keep me updated with photographs

Bryce

Wellbeing Co-ordinator
