How many Activities do I need to do?

You will need to do at least 6 activities for each topic but you can do more if you want to.

How will I show you what I have done?

You will need to take a photograph of what you do for each challenge, you can upload to our private facebook page or email it to me at lucycwyp@gmail.com.

When will I get my badge and Certificate?

At the end of each topic will check over everything you have done and then post out your certificate and badge.

Additional Information

Attached are all of the activities you can choose from for the first Badge Topic – Easter. Some of the activities can not be done due to isolation restrictions and/or should be done as a group i.e. at clubs.

We will always put an additional sheet with extra ideas to ensure there is enough for you to choose from.

If you have any ideas of your own please let us know and you should be able to use them just as long as it is suitable for the topic.
